Re: Request for Extension of Time
Section 104(e) Request for Information regarding Highway 89 Storage Units, Site #08-SK

Dear Mr. Sisk:

ATK Launch Systems Inc. ("ATK") is working expeditiously to gather the information requested in EPA Region 8's June 27, 2012 Section 104(e) Information Request regarding the Highway 89 Storage Units Site located in Box Elder and Weber Counties, Utah. In order for ATK to prepare a full and complete response to the request, and given the historical nature of much of the information requested, we respectfully request an additional 30 days in which to gather, prepare, and submit the requested information, such that it will be due to EPA by Monday, August 27th.

If you would like to discuss this request, please feel free to contact me at (763) 226-6168 or sara.peterson@parkwaylaw.com. Thank you for your consideration.

Yours truly,

Sara J. Peterson
